

# CSR TALENT GROUP ADVISORY SERVICE

CSR Talent Group announces a new Advisory Service to meet the growing demand for access to ESG, CSR and Sustainability experts.

## Who's it For

In-house CSR, ESG or Sustainability professionals seeking immediate access to insights or answers to pressing or longer-term questions.

We've recruited a top tier of independent, experienced subject matter experts and thought leaders who have built, developed or run a CSR, ESG or Sustainability department in national and global companies.

## What to Expect

You can access this hand-picked cohort of experts in ways that suit your needs and budget:

- **Knowledge Call** – Connect with an expert for a one-on-one phone consultation
- **Multi-Party Knowledge Call** – Add additional stakeholders to a phone consultation with an expert
- **Private Knowledge Meeting** – Meet with an expert face-to-face at a preferred location or virtually

All conversations are recorded for your records and/or further dissemination.

## How it Works

- You provide us with the question and type of expertise you're seeking
- We source 3-5 experts that fit the experience and expertise you're seeking
- You choose the expert that meets your criteria, preferred form of connection, and timeline
- We facilitate the exchange

Get instant access to a broad range of seasoned experts with deep corporate experience and a pulse on the fast-moving world of CSR, ESG and Sustainability.
